LB 742, 981
LR 277

Public Health gives notice of hearing.

Senator Newell would like to print amendments to 981.
Senator Scofield would like to print amendments to LB 742.
(See pages 1623-1627 of the Legislative Journal.)

PRESIDENT: Now we are ready to proceed with
resolution 277.

CLERK: LR 277, if I may, it is found on page 1302 of the
Journal. Senator, I assume it would not be necessary to
read the resolution again.

PRESIDENT: Except for the final paragraph perhaps?

SENATOR CHAMBERS: Right.

CLERK: Mr. President, the resolution would read exactly the
same except for the last page, (read last paragraph of
resolution as found on page 1309 of the Legislative
Journal.)

PRESIDENT: May we have order in the Chamber please (gavel).
Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the
Legislature, I know you have been here for awhile but this
is really the resolution that we were discussing. What we
ought to do as a Legislature is given...we are getting the
opportunity by means of this resolution. Although we
started with a somewhat convoluted order of procedure by
taking what seemed like a compromise between what Senator
DeCamp offered and this impeachment, if you will notice how
things have a way of working themselves out, we took the
least restrictive type action and considered that first by
rejecting Senator DeCamp's censure resolution. We then took
the second step which was to condemn the conduct of the
Attorney General and now that you have voted officially to
condemn that conduct, there is a third logical step before
the process is completed. We have had the fact-finding
portion of the proceedings and that has been resolved
against the Attorney General. The Legislature has formally
